HIGHTECH MADE IN GERMANY

LAMPUGA

reddot award 2019
best of the best
Easy to transport. Easy to inflate. Easy to ride.
Life is colorful. Choose one each day.

COLORFUL

Life is colorful. Choose one each day.
PRACTICAL
Plug & Play, Removable battery, Modular Powerbox.
Powerful lithium-ion battery. Rechargeable & durable.
Bluetooth remote control for wireless acceleration.
POWERFUL

Emission free electrical technology.
Keeps operating costs low.
SAFETY

Innovative safety features.
For product endurance and user safety.

- Safe Extra Low Voltage
- Cell Balancing
- Temperature Monitoring
- Overcharge Protection
- Short-Circuit Protection
- Overcurrent Protection
LAMPUGA AIR

SPEED
up to 50 km/h

ENGINE
14 horsepower
